D-10 • Continue discovering the city with stops at the museum devoted to the Klondike Gold Rush, as well as the Jack London Museum with a replica of his cabin and other memorabilia. Lunch, then stroll through town. The day ends with a 1900s vaudeville show at the Palace Grand Theater, another reminder of the past. Dinner and overnight.

D-11 • You will begin the day by a stop at the site at Bonanza Creek where gold was discovered. Later, cross the border back into the U.S. Lunch in the town of Chicken, once a mining hub and now a U.S. ghost town site. Continue to Tok and stop at the visitors’ center. Dinner and overnight.

D-12 • Morning drive to Glennallen, on the edge of the Wrangell-St. Elias National Park. Lunch on the way. Optional walk in Alaska’s boreal forest, a product of extreme climatic factors and complex mosaic of forest types intermingled with meadows, marshes, lakes, and rivers with a diversity of animals. Continue to Valdez, the state of Alaska’s premier commercial and sport fishing destination. Dinner and overnight.

D-13 • Cross Prince William Sound by boat excursion to observe marine life and glaciers. You will be able to admire the rugged coastline, with numerous small islands and fjords. Arrival in Whittier, a small coastal town on the edge of colossal glaciers. Lunch. Continue by coach to 6-mile long Portage Glacier, the largest one in the valley. Then you will take a lift up Mount Alyeska (“The Great Land” in Aleut), the biggest ski mountain in the state. Continue on the scenic route to Anchorage. Goodbye dinner and overnight in Anchorage.
